**RE: Erratum to Request for Waiver of Main Studio Rule  
New Life Evangelistic Center, Inc.  
KNLN, Vienna, Missouri  
Facility ID #87389**

Dear Ms. Dortch:

On December 19, 2007, the undersigned submitted a request for a waiver of the Main Studio Rule for KNLN, Vienna, Missouri. In the second paragraph of that request, KNLN was mistakenly identified as the parent station for a group of co-owned stations for which the Main Studio Rule was previously waived. The station that has been the parent of the group and which is intended to be the parent station for KNLN is KNLG, New Bloomfield, Missouri. KNLG is the intended parent station for all of the co-owned stations with main studio waivers.

I regret any confusion that may have resulted from this error. Please contact the undersigned should you have any questions concerning this matter.

Very truly yours,

Donald E. Martin

**RE: Request for Waiver of Main Studio Rule  
New Life Evangelistic Center, Inc.  
KNLN, Vienna, Missouri  
Facility ID #87389**

Dear Ms. Dortch:

On behalf of New Life Evangelistic Center, Inc. ("New Life"), this is to request a waiver of the Main Studio Rule, §73.1125 of the Commission's rules, for its noncommercial FM station, KNLN, Vienna, Missouri. New Life proposes that its co-owned noncommercial FM station, KNLG, New Bloomfield, Missouri, operate as the parent station for KNLN and serve as the location for the main studio for KNLN.

On August 25, 2004, the Commission granted New Life waivers of the Main Studio Rule for its stations, KNLP, Potosi, Missouri, KNLM, Marshfield, Missouri, KBIY, Van Burean, Missouri, WCBW-FM, St. Louis, Illinois, KBPB, Harrison, Arkansas, KNLH, Cedar Hill, Missouri, KNLQ, Cuba, Missouri, and a new station without a call sign at Perryville, Missouri (Facility ID #88435). Under these waivers, KNLN serves as the parent station and its main studio is the main studio for all of these stations. A copy of the Commission's letter granting these waivers is attached and incorporated herein.

New Life hereby seeks to extend the main studio waiver to cover KNLN under the same conditions specified in the Commission's letter with respect to New Life's other stations. The facts described in New Life's original request for the waivers for these stations also exist with respect to KNLN and support extending the waiver to that station. If this request is granted, New Life commits to operate KNLN under the same conditions that the Commission has specified in its August 25, 2004 letter granting the waivers for the other stations.

The Commission is advised that the Perryville, Missouri station with no call sign (Facility ID #88435) should be removed from the list of stations for which a waiver has been granted. That station was not constructed and its authorization has been returned to the FCC.
